

Table of Contents for 1940-1949 of NJMCA Annual Meetings

Proceedings of the Association's annual meetings are published each year. The table of contents for Proceedings issued from 1940-1949 are available below. In addition to the referenced papers each proceedings includes a list of the NJMCA Officers, Trustees, Past Presidents, Mosquito Extermination Commissions and Mosquito Control Agencies in New Jersey and Business Meeting minutes.

PAPERS OF THE 1949 NJMCA ANNUAL MEETING

- Address Of the President, **Louis B. Pierce**
- An Overall View Of the Organization For Mosquito Control In New Jersey, **Bailey B. Pepper**
- A Review Of Mosquito Work Throughout the World In 1948, **F. C. Bishopp, H. H. Stage** and **Helen Sollers**
- Malaria In New Jersey, **Wallace T. Eakins**
- Relation Between Stream Pollution And Mosquito Breeding, **William Rudolfs**
- Freeholder Cooperation In Mosquito Control, **A. Paul King**
- The Women Clubs And Mosquitoes, **Clarissa J. Flory**
- The Possibility Of Securing More Complete Mosquito Control In New Jersey By Increasing Cooperation Among Various Govern Mental Units, **William Dunney**
- Thoughts On DDT And Other Things, **H. M. Speechly**
- Advantages In Mosquito Work In Utah In 1948, **Don M. Rees**
- A New Salt Marsh Ditching Machine, **Fred A. Reiley**
- Experiences With the Application Of Medium Dosages DDT For Residual Effect On the Enclosed Salt Marsh And Upland, **Vernon Conant**
- Problems Of Mosquito Control In the Toledo Area, **Herbert A. Crandell**
- Recent Developments In the Anti-Mosquito Work Of the Communicable Disease Center U. S. Public health Service, **George H. Bradley** and **F. Earle Lyman**
- Significant Developments In the Program Of Anti-Mosquito Work Of the United States Army In the Arctic, **Frederick W. Whittemore**
- Significant Developments In the Program Of State Navy, **John D. DeCoursey**
- Equipment And Formulations For Destroying Mosquitoes And Other Insects In Aircraft, **F. C. Bishopp**
- Toxicological Tests With Two New Insecticide On Mosquitoes And Fish, **Joseph M. Ginsburg**
- Mosquito Control By the Tennessee Valley Authority, **A. D. Hess** and **George F. Ludvik**
- The Expanded Program Of Mosquito Control In California, **Harold F. Gray**
- Experiences In the U. S. Public Health Service And In Mosquito Control In California, **Roy J. Wilson**
- Principles Of Minor Drainage For Mosquito Control, **John M. Henderson**
- The Power Scavel A New Salt Marsh Ditch Cleaning Device, **R. C. Botsford**

- Developments And Improvements On Mosquito Control In Rhode Island, **William V. Bartosewitz**
- Permanent VS. Temporary Control In A Newly Organized Mosquito Control Project, **Albert L. Lafferty**
- Field Trails With Insecticides For Mosquito Control In the Passaic Valley In 1948, **D. M. Jobbins, James T Hart** and **Robert Lake**
- The Biting Fly Problem In New Jersey Resorts And Its Relations To Mosquito Control, **Elton J. Hansens**
- 1948 Mile-Posts In the Progress Of Mosquito Control Research Being Conducted By the Bureau Of Entomology And Plant Quarantine, U. S. Department Of Agriculture, **H. H. Stage**
- The Place Of New And Old Insecticides In Mosquito Control In New Jersey, **Joseph M. Ginsburg, Daniel M. Jobbins** and **Thomas D .Mulhern**
- New Values In Mosquito Control, **Robert L. Vannote**
- Experiences With Fog And Mist Sprayers For Mosquito Control In Towns And Open Country, **Q. W. Lafferty**
- Some Observations On the Experience With Aerosols In Delaware County And Airplane Spraying In Other Of Pennsylvania, **Russell W. Gies**
- Salt Marsh Mosquito Control By Airplane Spraying In Delaware, **E. Elwood Lynch**
- Significant Advances In Mosquito Control In Massachusetts During 1948, **Bertram I. Gerry**
- The Mosquito Breeding Situation In Vermont For 1948, **John W. Scott**
- New Developments In Virginia, **Perry W. Ruth**
- A New Wrinkle In Mosquito Control, **Roland E. Dorer**
- Mosquito Control As A Division Of the Department Of Public Works In Nassau County, New York, **LeRoy Kinsey**
- The Work Of the Soil Conservation Districts In New Jersey And Opportunities For Cooperation In Mosquito Control, **Linwood L. Lee**
- Industrially Sponsored Search For Better Insecticides And Repellents, **Philip Granett** and **Bailey B. Pepper**
- A Review For New Jersey For 1948, **Thomas D. Mulhern**

PAPERS OF THE 1948 NJMCA ANNUAL MEETING

- Address Of the President, **David L. Russell**
- Present-Day Responsibilities Of A Mosquito Commissioner, **William H. Martin**
- Mosquito Work In Hudson County, **Marcus E. Donnelly**
- The Clubwomen And Mosquito, **H. T. Maxwell**
- The New Jersey Citizens Conference, **Edna Howe Kuser**
- Mosquito Control On the Communicable Disease Center Program, **F. Earle Lyman** and **G. H. Bradley**
- Report Of the First Annual Convention Of the Virginia Mosquito Control Association, **Perry W. Ruth** and **R. E. Dorer**
- An Evaluation Of the New Toxicants For Mosquito Control In New Jersey, **Joseph M. Ginsburg**

- Application Of Larvicides With Small Dispensers In 1947, **Elton J. Hansens** and **James T. Hart**
- Some Mosquito Control Problems Along the Inter-American Highway In Central America, **D. M. Jobbins**
- A Review Of World Activities Relating To Mosquitoes During 1947, **F. C. Bishopp** and **H. H. Stage**
- DDT In A Woodland Pool For the Control Of Mosquito, **Robert Matheson**
- The States Of Anopheles Earlei Vargas (1943), **Robert Matheson**
- A Summary Of Mosquito Work In New Jersey In 1947, **Thomas D. Mulhern**
- The Decline Of Malaria In New Jersey Since the Peak In 1945, **Wallace T. Eakins**
- Mosquito Control Activities By First Army, **F. H. Whitely**
- Remarks Concerning Mosquito Control In Utah, **Karl D. Hardy**
- Special Equipment Used By the East Middlesex Mosquito Control Project City Hall, Cambridge Massachusetts, **Robert L. Armstrong**
- Some Aspects Of Malaria And Mosquito Control In Pennsylvania, **Russell W. Gies**
- An Automatic Device For Changing Daily the Collection Receptacle On Mechanical Traps, **Albert L. Lafferty**
- A Measuring Instrument For Determining Accurately the Displacement Of Air And Consequently the Mechanical Efficiency Of the New Jersey Mosquito Trap, **Thomas D. Mulhern**
- A Permanent Improvement In the Drainage Of Dismal Swamp, **William Thom**
- A High Capacity Low-Lift Pump, **Ralph J. VanDerwerker**
- Initial Mosquito Work In Vermont, **John W. Scott**
- Developments Projected By the Port Of New York Authority Which May Influence the Mosquito Work In the Newark Bay Region, **E. P. Pitman**
- Needham Fights Mosquitoes, **Norman M. Winch**
- Mosquito Control In Nassau County, New York, **LeRoy Kinsey**
- A New Ditching Machine, **Fred A. Reiley**
- A Further Report On the Mosquito Control Program In Greater Winnipeg, 1947, **E. J. Stansfield**
- The Use Of the Road Disk And Other Special Equipment Used In Delaware, **E. Elwood Lynch**
- Report Of the Executive Committee, **Thomas D. Mulhern**
- Report Of Legislative Committee, **William H. Dunney**
- The Work Of the Burlington County Mosquito Extermination Commission, **Earle D. Potter**
- Mosquito Control In the Canal Zone, **Carl G. Brown**
- Standardization Of Insecticide Operations Involving Naval Aircraft, **William K. Lawlor**
- Use Of DDT In the Control Of Greenhead Flies, **Bertram I. Gerry**
- Emergency Fly Control Operations At Wilmington, Delaware, **Joseph H. Coffey**
- Mosquito Control Training Activities Of the Communicable Disease Center, **Ralph C. Barnes**

PAPERS OF THE 1947 NJMC

- Address Of the President,
- Services Of the Agricultural Experiment Station To Mosquito Work, **Bailey B. Pepper**
- The Women's Club And Mosquito Control, **C. Bertram Flory**
- A Review Of World Wide Mosquito Work In 1946, **F. C. Bishopp** and **H. H. Stage**
- The Cooperative Plan Of Malaria Control In New Jersey, **W. T. Eakins**
- Entomological Work In Connection With the Development Of New Anti-Material Drags, **Helen Louise**
- Mosquito Control And Other Measures In Relation To the Prevention Of Epidemic Virus Encephalitis, **Harold Farnsworth Gray**
- Mosquito Control Activities Of the Communicable Disease Center, U. S. Public Health Service, **G. H. Bradley** and **F. Earle Lyman**
- Army Mosquito Work In And About New Jersey, **Glenn W. Miller**
- History Of Mosquito Control In the Passaic Valley, **Robert L. Vannote**
- Fogging In the Borough Of Chatham, N. J., For Adult Mosquito Control, **James T. Hart**
- A History Of the California Mosquito Abatement Districts, **Chester Robinson**
- Relation Of Agricultural Practices In California To Mosquito Control, **G. Edwin Washburn**
- The Mosquito Control Program In Oregon, **Dorothy McCullough Lee**
- Mosquito Campaigning In Bermuda, **John Travis**
- The Development Of Another Mosquito Control Project In Massachusetts, **Robert L. Armstrong**
- Mosquito Control In Suffolk County, **C. T. Williamson**
- Mosquito Control In Virginia, **R. E. Dorer**
- Report Of the Use Of DDT And Paris Green On Muskrat Marshes, **L. A. Stearns, E. E. Lynch, B. Krafchick** and **C. W. Woodmansee**
- The Growing Public Interest In Mosquito Control And Related Work, **R. D. Glasgow**
- Twenty Years Of Mosquito Control In And Around Winnipeg Manitoba, Canada, 1927 To 1946, **H. M. Speechly**
- Results Of Routine Applications Of Various DDT Larvicides In 1946, **Duncan E. Longworth**
- Control of Greenhead Flies In Massachusetts, **Bertram I. Gerry**
- Anti-Mosquito Work In Florida, **H. D. Peters**
- Experiments With Smoke Aerosols A New Method Of Controlling Mosquitoes On the Home Grounds, **Elton J. Hansens**
- Report Of the Executive Committee, **Thomas D. Mulhern**
- Ground Spraying of Entire Towns With DDT, **J. Lyell Clarke**
- Tests With New Toxicants In Comparison With DDT. On Mosquito Larvae And Fish, **Joseph M. Ginsburg**
- "Pre-Flood" Treatment For Flood Water Mosquitoes In Upland Areas, **Elton J. Hansens** and **James T. Hart**

- Studies Of Application Of Larvicides To Small Areas During Inspection Operations-Equipment And Materials, **James T. Hart**
- A Light Weight Tractor-Operated Scoop For Cleaning Ditches, **William Thom**
- New Ditching Machine, **Thomas D. Mulhern**
- On the Biology And Control Of Aedes Dorsalis (Meig.) In Utah, **Don M. Rees** and **Lewis T. Nielsen**
- A Summary Of Mosquito Work In New Jersey In 1946, **Thomas D. Mulhern**
- A Surplus Army Truck Equipped For Mosquito Control By Adding A Power Sprayer And Venturi Exhaust Generator, **Albert L. Lafferty**
- An Aerosol Fog Unit Used For Control Of Adult Mosquitoes In Seashore Communities, **O. W. Lafferty**
- Malaria Hazard Surveys At U. S. Engineer Impoundments In the Northeast, **Sheldon L. Lang** And **Leo A. Sterenberg**
- A New Mosquito Control Program In Burlington County, **Earle D. Potter**
- A Pump Suitable For Mosquito Control Drainage, **Joseph H. Palmer**
- One Hundred And One References Of Interest To Mosquito Control Workers, **H. H. Stage**

PAPERS OF THE 1946 NJMCA ANNUAL MEETING

- President's Address, **Bennet E. Tousley**
- Field Experiments With DDT On Mosquitoes In 1945, **J. M. Ginsburg** and **E. J. Hansens**
- Experiments With DDT For the Control Of Mosquito Adults And Larvae In Fresh Water Areas In Morris County, **Robert L. Vannoté**
- Tests Of A Revolutionary Addition To Mosquito Control Procedures: Airplane Spraying For Control Of Adult Saltmarsh Mosquitoes, **C. T. Williamson, R. D. Glasgow** and **D. L. Collins**
- Particle Size In Relation To Dispersing Mechanisms And To Mosquito Control, **R. D. Glasgow** and **D. L. Collins**
- Common Mosquito Borne Diseases Of Birds, **F. R. Beaudette**
- Operation Of the Malaria Control In War Areas DDT Residual House Spraying Program, **John M. Henderson**
- Results Of the 1945 Malaria Control In War Areas DDT Residual House Spraying Program, **G. H. Bradley**
- Malaria In New Jersey, **J. Lynn Mahaffey**
- Cooperation In Malaria Control In New Jersey, **Wm. H. McDonald**
- Preparedness For Malaria Epidemics, **Henry P. Dengler**
- Technical And Operational Aspects Of the Malaria Control In War Areas Program In the Northeastern States, **Herman L. Fellton, Sheldon L. Lang, Leo A. Sterenberg, Robert E. Smith** and **Samuel Schneider**
- Treatment Of Clothing For Protection Against Mosquito, **B. V. Travis** and **F. A. Morton**
- Emulsifiers For Dimethyl Phthalate-A Preliminary Investigation, **Fred A. Morton**

- The Relation Of Mosquito To the Utilization Of Recreational Facilities, **Ronald D. Crater**
- The Weasel In Anti-Mosquito Work, **Leo Sterenberg**
- A New Approach To Mosquito Control To Supplement the Time-Tried And Proved Methods, **J. Lyell Clarke**
- History Of Atlantic County Mosquito Extermination Commission, **Fred A. Reiley**
- A Summary Of Mosquito Work In New Jersey In 1945, **Thomas D. Mulhern**
- Large Industries In Delaware County (PA.) Cooperate With Mosquito Control Program, **Russell W. Gies**
- Unusual Phases Of the 1945 Mosquito Control Program In Philadelphia: Mosquito Bites Prevented At An Outdoor Gathering Of 100,000 People Use Of the Traxcavator In Mosquito Control, **Rufus Reeves, Herbert M. Packer and Russell W. Gies**
- The Program Of Mosquito Control Education Being Conducted By the New Jersey Federation Woman's Clubs, **J. Alonzo Williams**
- A Commissioner's Viewpoint Of Commission Activity, **J. Thomas Scott and John T. Morrison**
- The Use Of the Blimp In Searching And Spraying, **Paul Huber**
- A Review Of Contributions To the Knowledge Of Mosquitoes Around the World During 1945, **F. C. Bishopp and H. H. Stage**
- The Advantage Of Equipping Standard Trucks With All-Wheel Drive, **Duncan E. Longworth**
- Results With 3956 (A Chlorinated Bicyclic Terpene) As A Mosquito Larvicide, **L. A. Stearns, W. LeRoy Parker And E. E. Lynch**
- Malaria Control In Central America, **Robert R. Harris**
- The East Middlesex Mosquito Control Project, **Robert L. Armstrong**
- Mosquito Control Experiences In the U. S. Army By A New Jersey Mosquito Worker, **James T. Hart**
- The Value Of Publicity In Mosquito Control Work, **Perry W. Ruth**
- Mosquito Control In Rhode Island, **William V. Bartosewitz**

PAPERS OF THE 1945 NJMCA ANNUAL MEETING

- President's Address, **William H. Dillistin**
- A Review Of Mosquito Work In A World At War In 1944, **F. C. Bishopp and H. H. Stage**
- The Disease Malaria From the Point Of View Of the Practicing Physician, **Howard B. Shookhoff**
- Process In the Development Of DDT Mosquito Larvicides, **Joseph M. Ginsburg**
- Experiments Using DDT For the Control Of Resting Adults Of *Anopheles Quadrimaculatus* Say, **Elton J. Hansens**
- The Development Of DDT As A Mosquito Control Agent, **H. H. Stage**
- Operational Planning For the Malaria Control In War Areas DDT Residual Hours Spraying Programs, **John M. Henderson**

- Laboratory Evaluation Of Chemicals For Rendering Fabric Repellent To Mosquitoes, **Philip Granett** and **Harry L. Haynes**
- Mosquito Work In Passaic County, **William Dunney**
- Mosquito Control Work In California In 1944, **Harold Farnsworth Gray**
- What Is the Outlook For the Mosquito Control Specialist, **R. E. Dorer**
- Mosquito Work On A War Time Basis, Special Problems And the Manner In Which They Are Being Met In Norfolk, **Perry W. Ruth**
- Mosquito Control At the Naval Base, Norfolk, Virginia, **A. A. Weathersbee**
- Mosquito Work On A Wartime Basis, Special Problems And the Manner In Which They Are Being Met In Philadelphia, **Rufus S. Reeves**, **Herbert M. Packer** and **Russell W. Gies**
- Mosquito Work On A War Time Basis, Special Problems And Manner In Which They Are Being Met In Delaware County, Pennsylvania, **Russell W. Gies** and **Robert M. Stabler**
- Mosquito Work On A Water Basis Special Problems And the Manner In Which They Are Being Met In Nassau County, **Ray H. Sammis**
- A Technique For the Laboratory Rearing Of Anopheles Quadrimaculatus Say, **Ralph E. Heal** and **Margaret M. Pergrin**
- Malaria In New Jersey In 1944, **Wm. H. MacDonald**
- Entomological Evaluations Of Control Work On the Malaria Control In War Areas Program During 1944, **G. H. Bradley**
- Mosquito Transmission Of Disease, **Robert M. Stabler**
- Training And Educational Services On the Malaria Control In War Areas Program, **William S. Boyd**
- Mosquito Control In the Other Americas, **Clark H. Yeager**
- A Summary Of Mosquito Work In New Jersey In 1944, **Thomas D. Mulhern**
- The need For Mosquito Control In Cumberland County, **J. C. Lamb**
- The Need for Mosquito Control In Gloucester County, **Hugh Mehorter**
- The Mosquito Control Program In Camden County, **Walter G. Evans**
- The Mercer County Mosquito Extermination Commission, **Charles Maddock**
- The Interest Of the Jersey Federation Of Women's Clubs In Wartime Mosquito Control, **John J. Hilton**
- The Outlook For New Programs Of Mosquito Control In New Jersey, **William H. Martin**
- The Relation Of Mosquito To New Jersey Agriculture, **Bailey B. Pepper**
- Species Associations Of Mosquito Larvae In New Jersey, **John B. Schmitt**
- The Utilization Of Fish By A Mosquito Abatement District: Their Effectiveness And Limitations, **Don M. Rees**
- A Possible New Place For Explosives In Mosquito Control Practice, **R. D. Glasgow**
- Mosquito Work Done By the Army In the Second Service Command With Special Reference To Entomological Phases, **C. M. Walson** and **John V. Osmun**
- Malaria Control In the Northeastern States, Herman L. Fellton, **Ralph c. Barnes**, **C. Arlie Wilson** and **Miriam Boyers**
- Sprayers And Dusters For Dispersing Insecticides And Rodenticides, **J. J. Gilbert** and **W. D. Reed**

- The Army's Program To Minimize the Danger Of Introduction Of Mosquito-Borne Diseases By Returning Personnel, **O. R. McCoy**
- The Mosquito And Mosquito-Borne Disease Problem In International Airlines Operation, **Frederick H. Shillito**
- Report Of A Survey Of Anopheline Mosquitoes In Canada In 1944, **C. R. Twins**
- Anti-Malaria Mosquito Work In Maryland, **George B. Vogt**
- Mosquito Work On A Wartime Basis, Special Problems And the Manner In Which They Are Being Met, **Edward Wright**
- The Mosquito Control And Training Program At Fort Dix In 1943, **Edward W. Zukauckas**

PAPERS OF THE 1944 NJMCA ANNUAL MEETING

- A Review Of Contributions To the Knowledge Of Mosquitoes Made During 1943 In A World At War, **F. C. Bishopp** and **H. H. Stage**
- Aerial Photography For Mosquito And All Sanitation Problems, **C. M. Hodell**
- Mosquito-Borne Disease Already Brought Into This Country From War Areas And the Likelihood Of Their Becoming Established Here, **Thurlow C. Nelson**
- Malaria In New Jersey In 1943, **W. H. Macdonald**
- The Regular Work Of the County Mosquito Extermination Commissions, A Potent Weapon In the Prevention Of the Spread Of Malaria In New Jersey, **Thomas . Headlee**
- The Plan Of Operation For the Northeastern Division Of the Malaria Control In War Areas Office Of the U. S. Public Health Service, **Herman L. Fellton** and **Ralph C. Barnes**
- Anopheles Quadrimaculatus In North-Eastern United States, **Ralph C. Barnes** and **Herman L. Fellton**
- President's Address, **Richard E. Reeves**
- The Mosquito Problem, The Progress That Has Been Made Towards Its Solution, And The Probable Future Of Anti-Mosquito Work In Cape May County, **Albert L. Lafferty**
- A Successful Outlet For Drainage Channels Through Sand Beaches, **O. W. Lafferty**
- A Summary Of Mosquito Control Work In New Jersey In 1943, **Thomas D. Mulhern**
- The Part the Women's Clubs Are Playing Now And Should Play In the Future In the Program Of Anti-Mosquito Work, **J. Alonzo William**
- The Program Of the Women's Clubs Of Passaic County For Education In Mosquito Control, **John B. Johnson**
- Research With Mosquito Larvicides On Mosquitoes And Fish In 1943, **Joseph M. Ginsburg**
- Mosquitoes Caught In Back Yards Of Polio-Myelitis Cases In Chicago During the Infantile Paralysis Epidemic Of 1943, **J. Lyell Clarke**
- Florida's East Coast Counties: Unified Program For Mosquito Control, And It's Problems, **V. S. Minnich**

- Methods Employed To Overcome The Effects Of War-time Shortages So That Progress In Mosquito Control Could Be Made In Massachusetts, **Edward Wright**
- Methods Employed To Overcome the Effects Of War-Time Shortages So That Progress In Mosquito Control Could Be Made In Nassau County, New York, **Edward Butchard**
- Methods Employed To Overcome the Effects Of War Time Shortages So That Progress In Mosquito Control Could Be Made In Philadelphia, Pennsylvania, **Rufus S. Reeves, Herbert M. Packer and Russell W. Gies**
- Methods Employed To Overcome the Effects Of Wartime Shortages So That Progress In Mosquito Control Could Be Made In Virginia, **R. E. Dorer**
- Methods Employed To Overcome the Effects Of Wartime Shortages So That Progress In Mosquito Control Could Be Made In Norfolk, **Virginia, Perry W. Ruth**
- A Formula For Elimination Of Mosquitoes Of Mutual Concern To Military And Civilian Agencies: Careful Planning, Plus Cooperation, Equals Gratifying Progress, **Lester W. Smith**
- Outstanding Features Of the Mosquito Control Work Of the United States Army In 1943, **W. A. Hardenbergh**
- Malaria Control In War Areas In the United States In 1943 By the U. S. Public Health Service, I. Entomological Phases, **G. H. Bradley**
- Malaria Control In War Areas In the United States In 1943 By the U. S. Public Health Service, II. Engineering Phases, **Nelson H. Rector**
- Mosquito Control, An Important Factor In the Life And Progress Of the State Of New Jersey, **William H. Martin**
- The Story Of Mosquito Control In Essex County, **Frederick W. Becker**
- How Accomplishment Has Been Kept Up, Through Supplies Of Labor And Materials Have Been Reduced In Bergen County, **John P. Peterson**
- How Accomplishment Has Ben Kept UP Through Supplies Of Labor And Materials Have Been Reduced In Middlesex County, **William Thom**
- Improved Methods Of Reading *Aedes Aegypti* Mosquitoes For Use In Repellent Studies, **Philip Granett and Harry L. Haynes**
- Some Practical Suggestions For the Rearing Of *Aedes Aegypti*(LINN.), **Helen Louis Trembley**
- Paired Product Testing For the Evaluation Of Mosquito Repellents, **Philip Granett**
- Anti-Mosquito Work In the Second Service Command, **John V. Osmun**
- Thirty-Two Years Of Progress-1912-44, **Robert B. Gray**

PAPERS OF THE 1943 NJMCA ANNUAL MEETING

- Notes On *Anopheles Occidentalis* In Central New York, **Robert Matheson and John Belkin**
- The Breeding of *Anopheles Crucians* In Highly Acid Waters In Abandoned Clay Pits In Middlesex County, New Jersey, **John B. Schmitt**
- Density Of *Anopheles Quadrimaculatus* As Related To Prevalence Of Malaria, **L. I. Williams**

- Density Of Anopheles Quadrimaculatus And the Prevalence Of Malaria, **G. H. Bradley**
- Determination Of Densities Of Populations Of Anopheles Quadrimaculatus On the Wing, **G. H. Bradley**
- Determining the Densities Of Populations Of Anopheles Quadrimaculatus On the Wing By Light Traps, By Nail Kegs, By Resting Places And By Resting And Feeding Places, **James T. Hart**
- Summary Of Some Studies On the Reaction Of Mosquitoes To Various Collecting Devices, **Carl B. Huffaker**
- Malaria Control Along An Air Route Through Africa, **L. T. Coggeshall**
- Malaria And Mosquito Control In the United States Army, **W. A. Hardenbergh**
- Malaria Control In War Areas, **Louis L. Williams**
- Mosquito Suppression Work In Canada In 1942, **L. S. McLaine**
- Summary Of the Morris County Program On Its History And Present Projects, **Robert L. Vannote**
- Twenty-Three Years Experience In Malaria Control In the Canal Zone, **D. P. Curry**
- Special Problems In Civil Mosquito Control Work, During War time, In Philadelphia, **Hublely R. Owen**
- The Influence Of Dry Weather On Mosquito Breeding, **R. E. Dorer**
- Special Problems In Civil Mosquito Control Work In War Time In the City Of Norfolk, VA, **Perry W. Ruth**
- Special Problems In Civil Mosquito Control Work In War Times In Maryland, **Ernest N. Cory**
- Mosquito Work In Nassau County In 1942, **Ray H. Sammis**
- Civil Mosquito Control In Connecticut In Wartime, **R. C. Botsford**
- Special Problems In Massachusetts In Civil Mosquito Control Caused By the War, **Edward Wright**
- A General Review Of Work the Anti-Mosquito Campaign, **Henry Wilkinson**
- Protection Of War Industrial Areas And Reservation Of the Armed Forges From Mosquitoes By Civil Mosquito Work, **Robert L. Vannote**
- Mosquito Control In And bout Military Reservations Of Second Service Command, **Walter M. Culley**
- Mosquito Control Adjacent To Military Reservations In the Second Service Command, **Albert E. Russell**
- Mosquito Research In the Bureau Of Entomology And Plant Quarantine Of the Agricultural Research Administration, U. S. D. A. ,**H. H. Stage**
- A Review Of Mosquito Work Throughout the World In 1942, **F. C. Bishopp** and **H. H. Stage**
- A Summary Of Mosquito Control Work In New Jersey In 1942, **Thomas D. Mulhern**
- A Review Of Proposed Methods For the Control Of "Peak Loans" Of Mosquito Breeding, **Ralph J. VanDerwerker**
- The Woman's Clubs And Mosquito Control, **Palmer M. Way**
- The Control Of Mosquitoes Within the Reservation Limits Of Fort Dix, **John K. Reinoehl**

- Mosquito Control In Middlesex County, **V. A. Tiedjens, L. W. Smith and Wm. Thom**
- Relation Of the Bonneville Dam To Mosquito Control Along the Columbia River, **H. H. Stage**
- The Significance Of the Development Of Mosquito Repellents For the Protection Of Military And Civilian Populations, **Philip Granett**
- Aerosol Sprays For Killing And Repelling Mosquitoes, **Joseph M. Ginsburg**
- Ten Years Of Mosquito Trapping In New Jersey, **Thomas J. Headlee**
- Flight Range And Longevity Of Mosquitoes Dusted With Aniline Dye, **J. Lyell Clarke**

PAPERS OF THE 1942 NJMCA ANNUAL MEETING

- President's Address, **Henry P. Dengler**
- Important Mosquito Borne Diseases That Are Likely To Affect the Middle Atlantic And Northeastern States, Leader: **Robert Matheson**
- What Reasons Do We Have For Fearing the Spread Of Malaria, Leader: **Wm. H. MacDonald**
- How Can the Fauna Of Anopheline Mosquitoes Be Measured? What Is the Evidence To Indicate That There Is A Dangerous Population Of Anophelines? Leader: **James T. Hart**
- What Can Be Done To Offset the Effect On Mosquito Work Of Labor And Material Shortages Due To the War, Leader: **Lester W. Smith**
- Equipment And Material Shortages, **James T. Brennan**
- Material Shortages, **Christian Williamson**
- Mosquito Oil And Larvicide Shortages, **J. M. Ginsburg**
- A Member Of the Board Of Chosen Freeholders Looks At Mosquito Control Work, **Wm. I. McMane**
- The Interest Of the New Jersey State Federation Of Women's Clubs In Anti-Mosquito Work, **Mary Kassar**
- A Review of Union County Mosquito Control, **Andrew J. Krog**
- Mosquito Control In the Army Reservations In the Middle Atlantic And Northeastern States, **W. A. Hardenbergh and Lloyd K. Clark**
- Mosquito Control By the United States Navy At Naval Stations In the Middle Atlantic States, **Omar J. Brown**
- Malaria Control In Defense Areas, **L. L. Williams**
- An Informal Discussion Of the Work Of the Bureau Of Entomology And Plant Quarantine On Mosquito Control, **E. C. Cushing**
- The Control Of Mosquitoes Within the Reservation Limits Of Fort Dix, **John K. Reinoehl**
- Regular Mosquito Commission Activities As A Contribution To National Defense, **Ralph J. VanDerwerker**
- Notes On Anophelines In Southern New Jersey, **Leslie A. Stauber**
- Bird Malaria In Southern New Jersey, **Mabel F. Stauber and Leslie A. Stauber**
- The Chemical Nature Of Growth Factors Required B Mosquito Larvae, **William Trager**

- A Further Development In Machinery For Digging And Cleaning Salt Marsh Ditches, **Thomas D. Mulhern**
- Work Of the Four County Committee For Mosquito Control In the Passaic Valley, **Robert L. Vannote**
- The Years Experience With the Mole Flow On the Nassau County Marshes, **Ray H. Sammis**
- The Accomplishments Of the Monmouth County Mosquito Extermination Commission, **Harry G. Van Note**
- A Summary Of Mosquito Control Work In New Jersey In 1941, **Thomas D. Mulhern**
- Mosquito Control Developments In Delaware During 1941, **L. A. Stearns and E. E. Lynch**
- Work Of Mosquito Control In Salt Lake City, **Don M. Rees**
- A New Tide Gate And Time-Saving Devices Used In Its Construction, **John P. Peterson**
- Excerpts From the Diary Of A Modern Mosquito, **Jesse B. Leslie**
- Report Of the Executive Committee, **Thomas J. Headlee**
- Report Of the Auditing Committee, **Alphonse W. Kelley**
- Report Of the Resolutions Committee, **Jesse B. Leslie**
- Report Of the Nominating Committee, **Robert F. Engle**
- Some Examples Of Mosquito Ecology In the Pacific Northwest, **H. H. Stage**
- A Review Of Mosquito Work Throughout the World In 1941, **F. C. Bishopp and H. H. Stage**
- Soil Sampling For Studying Distribution Of Mosquito Eggs On Salt Marshes In Florida, **G. H. Bradley and Bernard V. Travis**
- The Relation Of Mosquito Control To National Defense In Suffolk County, **Christian Williamson**
- Mosquito Control Problems Resulting From the National Defense program In Nassau County, **Edward Butchard**
- Mosquito Control Problems Resulting From the National Defense Program In Massachusetts, **Edward Wright**
- Mosquito Control Problems Resulting From the National Defense Program In Rhode Island, **Milton Price**
- Mosquito Control Problems Resulting From the National Defense Program In Virginia, **R. E. Dorer**
- Mosquito Control Problems Resulting From the National Defense Program, **Perry W. Ruth**
- Malaria Control In Venezuela, **A. L. Berti**
- Experiments With Three Types Of Pyrethrum Oil Emulsions Of the New Jersey Mosquito Larvicide, **Joseph M. Ginsburg**
- Mechanized Mosquito Control: Puddle Jumper, Swamp Angel, Dinosaur, Skeeter-Eater And Corner Cutter, **J. Lyell Clarke**

PAPERS OF THE 1941 NJMCA ANNUAL MEETING

- President's Address, **Jalo W. Lehti**

- New Jersey Mosquito Problems, **Thomas J. Headlee**
- Distribution Of Aedes Vexans Eggs, **Carl Filsinger**
- Studies Of the Effect Of Education Of Surface Tension On Mosquito Pupae, **Manlio A. Manzelli**
- A Review Of Contributions To Knowledge Of Mosquitoes During 1940, **F. C .Bishopp** and **J. L. Webb**
- Progress Of Control Work In the Upper Passaic River Valley, **Robert L. Vannote**
- Mosquito Control Development Developments In Delaware During 1940, **L. A. Stearns, Donald MacCreary** and **E. E. Lynch**
- History Of Mosquito Work In Bergen County, **Matthew M. Andronico** and **Jesse B. Leslie**
- Benefits Derived by Bergen County From Mosquito Control, **Alexander Allan**
- The Present Plan Of Mosquito Control In Bergen County And the Future Outlook, **John P. Peterson**
- Mosquito Control In New Jersey In 1940 And Its Contributions To National Defense, **Thomas D. Mulhern**
- The Program Of Mosquito Control Education In the Women's Club, **Arthur S. Chenoweth**
- A New Jersey Heroine, **Clara L. Maass**
- Comparative Resistance Of Several Species Of Mosquito To Larvicides, **H. H. Stage** and **W. W. Yates**
- Factors That May Affect the Toxicity Of Pyrethrum-oil Emulsions As Mosquito Larvicides, **W. W. Yates** and **H. H. Stage**
